Attendance

Attendance is vital to academic success. We expect students to attend school every day so that they will have the greatest opportunity to have a successful academic year. A student who has 10 absences (excused or unexcused) from a class within a semester may be withdrawn from the class. The student may lose the credit for that class, but may recover the credit by taking the class on-line or in a traditional class setting the following school year.

Online Grade Book

Did you know that you can access your child's grades and assignments? Parents and students should monitor grades regularly by accessing the online grade book, Powerschool. Parents will be assigned a confidential access code to Power School that will allow them to see your child's grades, assignments, and attendance in each class. To take advantage of this

powerful tool, parents should go to <http://edkey.powerschool.com> and enter their ID and password. You can receive your ID and password from the front office.
